

## Allmendhubel 1907 m . 6257 ft

### Facilities

The Allmendhubel is the paradise for families, hikers and bon vivants. In summer it is the starting point of numerous hikes and theme trails. Among others, the newly created Flower Trail. You will find a range of hiking propositions in our summer guide. During winter time, the Allmendhubel is the ideal skiing and sledging area for beginners, families and children.

The panorama restaurant Allmendhubel offers over 80 seats inside and 100 seats on the sun terrace. The funicular offers a capacity of 65 persons per trip and a total of 980 persons per hour.

Children playground Flower Park: With marmot underground tunnels, rope slides, oversized flowers and insects, kids can learn about the Alps. The playground is inspired by the theme of Alpine meadows and offers many fun attractions while educating our younger guests.

The water labyrinth on the Allmendhubel beckons with action-packed duels! Who will reach the finish line the fastest without getting splashed?

Skyline Chill – Leave your cares behind, admire the SWISS SKYLINE Eiger, Mönch and Jungfrau and savour the perfect solitude.
