Holiday guests

We recommend that holiday guests purchase a 7, 14 or 30 day pre-paid ticket. Take a ticket on entering the car park, go to the automatic payment machine, select the pre-paid option and pay CHF 42, CHF 68 or CHF 84. The ticket is then validated to allow unrestricted exit and access to the car park for a period of 7, 14 or 30 days respectively. The ticket must be inserted into the exit ticket machine and is automatically re-issued each time the holder exits the car park.

Local residents can purchase a monthly ticket for CHF 42.00.

Please note: Balance-, annual and pre-paid tickets must be inserted into the machine on entry and exit. **Do not** take a new ticket.

Regular visitors to Gimmelwald, Mürren and the Schilthorn

The visitor can present the ticket issued at the car park entrance at the Schilthorn Cableway ticket office (not the automatic payment machine) and purchase one of the following prepaid parking cards:

Prepaid card worth	CHF 100.00	for	CHF 90.00 (10 % discount)
Saldokarte im Wert von	CHF 50.00	for	CHF 45.00 (10 % discount)

The ticket issued at the entrance is cancelled and the entrance time noted on the prepaid card. The visitor can later drive directly to the exit barrier and insert the card. The accrued parking fee at the official rate is automatically debited from the card value. The visitor removes the card. The remaining card balance is shown in fluorescent figures at the next entry into the car park. The cardholder thus receives a 10 % discount on the official rate.

For the winter season you can buy a season card (01th Nov - 30th April) for CHF 368.00 at the counter in Stechelberg.

Please note: As a general rule, year-round parkers are issued with only one annual ticket. A second ticket is available on request for an administration charge of CHF 10.00. If a holder has more than one ticket, both will contain the same code and the system will only allow car park access to one vehicle at a time.
